

## Nautilus Estate Pinot Noir 2007 takes the trophy in Tasmania!

### *Qantas Trophy for 'BEST PINOT NOIR of the show'*

Winemaker Clive Jones is particularly excited about this success:  
“We are really proud of this wine and have had a great response from the media and wine trade. It is rewarding in support of the purchase of the Clay Hills Vineyard in 2007 and particularly pleasing to receive an award from a region that is so strong in this varietal. The competition is always fierce but there is a lot of respect amongst the entrants.”

## Hobart International Wine Show 2008

“Held in November each year the Wrest Point Royal Hobart International Wine Show is one of the most significant events in the Australian wine industry and has grown to become the second largest in the country. First held in 1975, the Show prides itself on its innovations.

The Wrest Point Royal Hobart International Wine Show restricts entries to wines already bottled, that is, not barrel samples or wines yet to be bottled - so that the public can be assured that the wines judged and possibly awarded medals are the same as they'll find on bottleshop shelves.”
